Great edits. Thank you very much. Also helps me better understand the status and history. I have accepted all changes – please look at this and confirm that you didn't mean to have the double negative.

Elizabeth - Thanks for calling. Here is my draft. It's a bit long but I think Nancy and Ken can skim if they want.

Thanks for turning this around quickly. I probably need it back by 5:30 my time at the latest.

Hi Rachel

I am in a meeting at 1 -3 pm today, but I can take a call at 1 pm or step out if I know when you will call. Conversely, I am happy to review your draft. I have to leave about 3 pm today. E.

Elizabeth,  
I have passed along your question. I'll let you know what I hear.

I've been asked to send an updated fact sheet to my management this afternoon to go up to Nancy/Ken by COB in preparation for a meeting that they have with Cynthia Giles on Monday morning on Rosemont. I'm working on that but I would love your assistance in making sure that it is truly up to date and accurate. Can I call you in an hour or so to discuss? Or send it over for your edits?

Thanks  
Rachel
